About Company

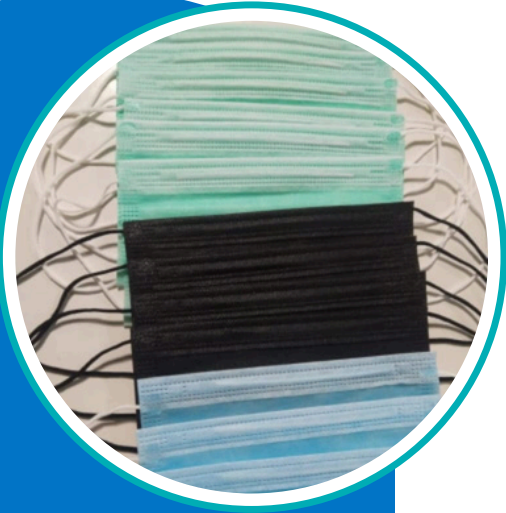

02

KPK, a proud subsidiary of **Shree Kumarvel Groups**, established in 1998, has built a 26-year legacy of reliability in various industries, including the surgical supplies industry. We specialize in high-quality products such as hand gloves, shoe coverings, and three-ply face masks, each manufactured to the highest standards. To cater to diverse needs, our products are available in various sizes, ensuring a perfect fit for every requirement. Our hand gloves and shoe covers come in both plastic and non-woven materials, providing flexibility to meet different preferences and demands.
